United States Army Military Police School Director of Training & Education Tasking Order

DTG: TBD

SUBJECT: United States Army Military Police School Special Reaction Team Marksman/Observer Course Mobile Training Team OPORD.

1. Situation: The United States Army Military Police School (USAMPS) Special Reaction Team (SRT) Marksman/Observer (M/O) Course is scheduled to deploy multiple Mobile Training Teams (MTT) for a variety of hosting units. The assigned training unit is USAMPS Director of Training & Education (DOT&E), Advanced Law Enforcement Training Division (ALET), Law Enforcement Tactics Branch (LETB).

2. Mission: Train 24 Military Police Soldiers, Marines, Airmen, and DA Civilians in the SRT Course POI at scheduled MTT sites. In processing and training will commence on day one (date confirmed between MTT team POC and host unit POC) 0700 at the host unit classroom (location TBD).

3. Execution:

3.A. Intent: Execute highly realistic instruction and train students to standard IAW the USAMPS SRT Phase II POI.

3.B. Concept of operations:

3.B.1. USAMPS DOT&E will provide the hosting unit detailed guidance/direction/instructions/information for planning and executing the assigned course being delivered via MTT. USAMPS will deploy (via commercial transportation) a designated SRT MTT OIC 30 days in advance (if necessary) of the mission date to confirm existing support facilities and equipment meet support requirements and identify unique composite risk management factors. Upon confirmation of facilities USAMPS will deploy six SRT Marksman/Observer subject matter experts (via commercial transportation) to the host unit location 1-2 days in advance of the mission date.

3.B.2. Hosting unit will coordinate and deliver necessary equipment, weapons, personnel, ammunition, and facilities to execute this mission and support advance and MTT teams in the execution of their mission.

3.C. Tasks:

3.C.1. School Requirements:

3.C.1.a. Provide POC to host unit NLT 12 weeks in advance of mission date.

3.C.1.b. Provide detailed facility/resource requirements and necessary time lines NLT 10 weeks in advance of mission date (see Annex B).

3.C.1.c. Provide cost estimate NLT 8 weeks in advance of mission date.

3.C.1.d. Conduct advance of host unit site NLT 4 weeks in advance of mission date.
